Message from Mrs Barnard

Welcome to our Newsletter.

We have reached the end of another busy week and there is definitely an Autumnal feel around the school now, with the leaves changing colour and a drop in temperature.

Red Kite Class enjoyed their visit to Clinks Care Farm on Tuesday and our thanks to Doeke and his team for making the time to show them the farm.

We observed two minutes silence to mark Armistice Day on 11th and all of the children stood quietly and respectfully.

Best wishes
Mrs Barnard

This Week's Awards

STAR OF THE WEEK

Lewis – for working hard to crack long division
Leo M – for writing some super sentences using frontal adverbials
Poppy – for working really hard on her writing
Robyn – for her commitment to improving her reading

Well done to all of them!

CITIZEN OF THE WEEK

Jessica S – for being a helpful Lunchtime Monitor
Sonnie – for always following instructions straight away
Sophia W – for being a really kind friend
Meredith – for showing ambition in all lessons this week

Red Kite's Visit to Clink's Care Farm

On Tuesday, Red Kite class visited Clinks Care Farm to research the aims of the farm and collect ideas for our social action project. The children were brilliantly behaved and impressed our hosts with their excellent wildlife knowledge. We very much enjoyed pulling our own carrots from the fields and feeding the pigs! Thank you to all the children who made the trip so enjoyable and educational.

THIS WEEK IN CLASS

ROBIN CLASS

This week in outdoor learning Robins class have been exploring the autumn leaves. They enjoyed hiding in a leaf pile like hedgehogs and then collecting leaves to make some lovely hedgehog pictures.

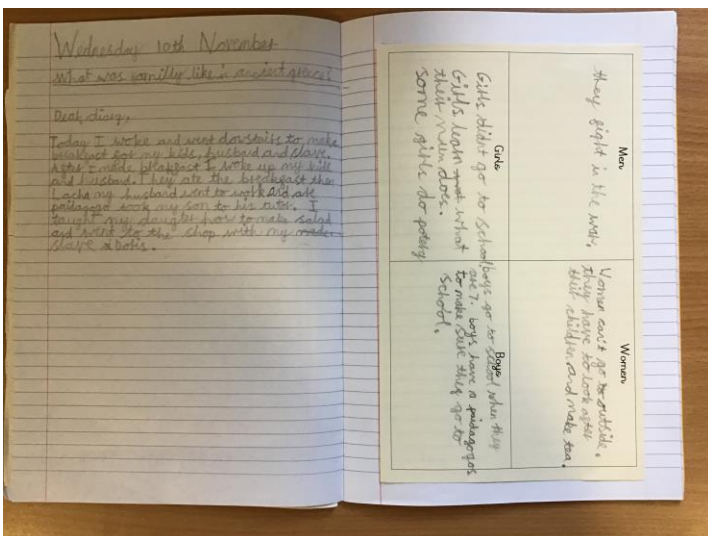

WOODPECKER CLASS

Children in Woodpecker class enjoyed learning about the 4 countries in the UK and completed some research about their chosen country. We talked about the four capital cities - can you remember them?

STARLING CLASS

In History this week, Starling Class have been learning about what daily life was like in Ancient Greece.

PDP

We have been meeting regularly with Mrs Carter and have several projects that we are working on.

We have started to collect empty crisp packets and also used pens, felt tips and whiteboard pens. These will be sent to Terracycle for recycling.

We are also discussing ways that we can raise money to fund some Key Stage 1 & 2 playground equipment. We will let you know what we decide later.

As of this week have also appointed Lunch Monitors in the hall. They help Mrs Mays by supervising a table each and helping the younger pupils if they need it.
