Glebeland Primary School
Weekly Newsletter

Issue 49 1st April 2022

Message from Mrs Scott

Welcome

Pride in our school: We were very proud to show members of our Locality Committee around the school yesterday. They were very impressed with our inclusive ethos and the productive learning that was going on in all our classrooms. Our Pupil Parliament team talked eloquently and confidently about their projects in school.

Uniforms: We are still noticing that not all our children are wearing the correct uniform to school or bring the correct PE to school. Please click on the link if you are unsure what our uniform is: <https://www.glebelandprimaryschool.org.uk/page/?title=School+Uniform&pid=50>

Hoodies, fleeces and trainers are not correct for daily wear. These remain as PE kit. We expect all pupils to be in the correct uniform please.

Home/school Agreement: We are now in a position where schools are operating as close to normal as possible and this is a perfect time to share with you our new Home/school agreement which sets out the vision and expectations of the partnership between school and home. It is the hope that this agreement clearly defines the expectations of a positive working partnership and the roles within it; including the children.

Have a lovely weekend,
Mrs Scott

You will find this agreement attached with the Newsletter Email today.

Ukraine Appeal

Thank you to everyone who supported the School Council's Cup Cake sale on Wednesday in aid of the people of Ukraine. The children from Cookery Club made the cakes and all of the children in school decorated them using blue and yellow butter cream to represent the colours of the Ukrainian flag. Thanks to your generous donations we raised an amazing £107.14 so thank you all once again.

This Week's Awards

Star of the Week

Callie for being enthusiastic in her reading this week
Finley for an excellent attitude towards learning especially the bits he finds tricky
Torben for amazing Maths
Annabel for working hard on her persuasive poster

Citizen of the Week

Meredith for coming back to school with a bang!
Jacob showing a wonderful sense of community by helping the younger children at lunchtime
Sophia for always being ready to learn
Leo M for always showing a positive attitude

Summer Term Lunch Menu

I recently emailed you all copies of the Lunch Menu for the Summer Term. You may (or may not) have noticed that the new menus begin from 18th April. This is the date that Norfolk schools start back so please be aware that when we re-start after the Easter holidays on 25th April the meal choices will be those for **Week 2**

Class News

Red Kite Class

First of all, we are delighted to announce that Mrs Reynolds will be remaining with us after the Easter holidays.

Year 6 had a wonderful time at their Forensic Science day at Hobart School on Tuesday. They came back brimming with stories of bunsen burners and testing 'urine' in order to solve a crime! I would like to thank both the Year 6 children for their excellent behaviour during the trip and for representing the school so well. Thanks also to Mrs Carter for accompanying them on their trip.

Robin Class

Our caterpillars have grown much longer this week and will hopefully start turning into chrysalises soon. Robins have been working on recognising and making repeating patterns this week in maths and have been working together to innovate our Talk for Writing text Monkey puzzle into their own story about a spider who has lost his web and a friendly snail who helps him to find it again.

Woodpeckers

This week in Woodpecker Class the children have been learning about fractions. They have explored finding halves and quarters of shapes and halves of numbers by putting objects in to two equal groups. Next week they will be exploring quarters of numbers and thirds before comparing fractions.

After School Enrichment Clubs

Next half term is very short and there will be some changes to what is on offer.

Monday: - KS1 Fielding and striking sports with Miss Woolcott – **Robins and Woodpeckers only**

Art Club with Mrs Softley (moving from Thursday) open to all pupils

Book Club with Miss Bettinson (moving from Thursday) open to all pupils

Tuesday: - Lego Club with Mrs Gibbs (moving from Wednesday) open to all pupils **£3.50 per session**

Wednesday: - STEM Science Club with Mrs Barnard open to all pupils

Thursday:- Times Tables Rock Stars with Mrs Franklin (moving from Mondays) open to all pupils

Friday:- No clubs

All of these clubs can be booked via the Arbor app and are free of charge except for Lego Club.
