Message from Mrs Scott

Welcome to the Summer Term

It has been a joy to see the children return with such positivity and enthusiasm and open to the possibilities the new school term brings with it. Please keep an eye open for information regarding school events this term. We look forward to our forthcoming Jubilee celebrations, sports days, Year 6's events to name a few. Thank you to all of you who gave your ideas regarding the traditions of the school you value. This will help us in planning key annual events moving forward to strengthen our partnerships.

Best wishes,
Mrs Scott

PFA Appeal

WILLING PARENTS WANTED TO JOIN THE PFA

Over the years the school has been supported by the Parents & Friends Association (PFA) offering additional funding and activities for the school. More recently this has been put on hold - COVID rules prevented anything from happening, and the Chair & Treasurer stepped down as their children moved to high school.

Now is a great time to get things back up and running as the additional funds raised by the PFA have supported the school immensely - providing iPads, gifts for the children at Christmas, school discos and fetes and more recently upgrading the play equipment.

If you'd like to get involved and help re-invigorate the PFA please email Ali Mills (Jasmine's mum) ali_bloomfield@hotmail.co.uk.

Queen's Platinum Jubilee

We would like to invite you to our Jubilee celebration at Glebeland Primary school on Wednesday 25th May from 1:00pm - 3:30pm. We will be celebrating the Queen's Platinum Jubilee on the school field with a number of themed games and refreshments for everyone to enjoy. Just in case the sun isn't shining, the backup date for this event will be Friday 27th May from 1:00 - 3:30pm. More details about the event will follow next Term.

Bank Holiday

Don't forget the school is closed to pupils on Monday for the Bank Holiday AND Tuesday for a staff PD Day. We will welcome the children back on Wednesday

This week's Awards

Star of the Week

Leo G for brilliant writing
Hope for her enthusiasm with learning our model text
Thomas B for writing a brilliant poem
Poppy for an amazing Lion mask design

Citizen of the Week

Jack Sh brilliant listening and concentration
Beth for organising a lunchtime Lace club
Ava-Grace for working hard and showing enthusiasm
Jonah

Robins

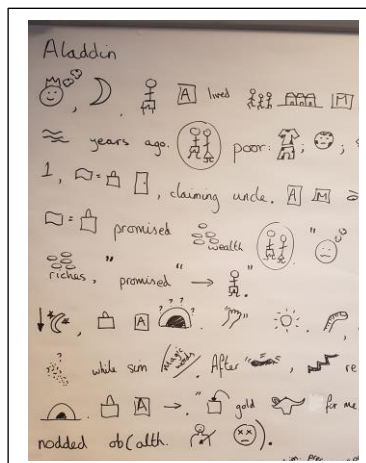

This week Robins' butterflies have emerged from their chrysalides and after we enjoyed observing them using their proboscis to feed on oranges and nectar for a couple of days we released them into the wild. When we opened the net we were all able to hold the butterflies on our fingers before they flew away!

We have also begun our new Talk for Writing text "Handa's surprise" and have begun learning about Africa and the animals which live there.

Red Kite Class

Our new history topic for this half term is about the Golden Age of Islamic Civilisation. To support this we have been reading some tales from 1001 Arabian nights. We have learnt the story of King Shaharyar and Shaherazad and are now learning the story of Aladdin. Please encourage your children to tell you the story so far using the story map to help them to remember. They even have actions!

Woodpeckers

The children in Woodpecker Class have been measuring length and height this week. They have used paperclips, cubes and rulers to measure and had lots of fun measuring their classroom.

Health and Safety Message

Nut allergy warning: Please note that we have checked and this product does contain nut derivatives (Almond Oil). Due to potential nut allergy issues we cannot accept it at school.
