# Last Day of Term

I would just like to clarify that the last day of term is Wednesday 20<sup>th</sup> July as there appears to be a bit of confusion.

As a treat on the last day, Sam our cook is offering to do a barbeque style picnic lunch outside – providing the weather is fine. There will be a choice of burger and chips or vegetarian hotdog and chips with ice cream for dessert. The lunch can be ordered in the normal way at morning registration and paid for on Arbor please.

## **Red Kite Production**

In order to ensure that there is no delay to the bus leaving school on Thursday afternoon we are going to bring the start of the afternoon play performance forward by 30 minutes to **1:30 pm**. Hopefully this will mean that the children can change and be ready to leave at 3:30.

We have also been considering "What makes us sparkle?" for the National RSE day and made flags which included pictures of everything which is important to us. Robins have also been role playing in an ice cream parlour and have been designing and selling their ice cream creations to each other.

Robins class are enhancing their curiosity approach resources and are looking for the following pre-loved items to develop our sensory provision, any donations would be appreciated:

Saucepans, play kitchen items, kettle, tea cups, cutlery, utensils, dolls, dolls clothes and accessories, jugs, frames.

## **Red Kites**

As part of National RSE day, we enjoyed watching a virtual assembly about what makes us individuals. We listened to music and celebrated our differences and similarities by discussion and then making flags to represent ourselves and what makes us sparkle. They look really good on our Be-YOU-tiful display. - What makes you sparkle?

# **Starlings**

Starlings have been writing poetry again this week producing their final piece based on the poem 'The Sound Collector'. They wrote their own full length poems focusing on rhyme and playing with words.
