Message from Mrs Barnard

This week our school assembly focused on our core value of Ambition. We had a school discussion about what it means to be ambitious - We challenge ourselves and others to work hard to achieve highly. We celebrate our achievements. We strive to be the best we can possibly be. I have certainly seen this in pupils writing this week and we will be displaying a selection of all classes writing in our school to celebrate this ambition.

A polite reminder that our school day finishes at 3:15pm. Please can you ensure that you are at your child's class on time to collect them. Any pupil not collected by 3:20pm will need to be collected from the front office.

We have been asked to invite you all to the Benefice Harvest Festival which takes place on Sunday 9th October at Raveningham Church starting at 3pm. A Ploughman's Tea and refreshments will be provided and you are all welcome to attend. (This is not a school event.)

PTA News

Tickets for the 'Witches and Wizards' Disco on Thursday 3rd November will go on sale next week.

If anyone is interested in getting involved with the PTA please give your name to Diane in the office.

Swimming

We are hoping to recommence swimming lessons this term. Unfortunately, The Phoenix Pool in Bradwell is now under new management and they no longer offer as many Schools sessions as previously so we are having to wait until there is a space for us. Initially the lessons will be for the children in Years 5 & 6 and as soon as we are allocated a slot we will advise you.

This Week's Awards

This Week's awards were presented to:

Star of the Week

Poppy for working really hard to learn our Talk for Writing text
Sebastian for writing a great poem this week
Jessica R for her poetry skills

Citizen of the Week

Willow for approaching challenges with a can-do attitude
Torben for showing ambition in his learning
Jacob P for being polite and kind with his words

Reading Champions

Champions: Lorna, Nancy, Thomas B and Sonnie

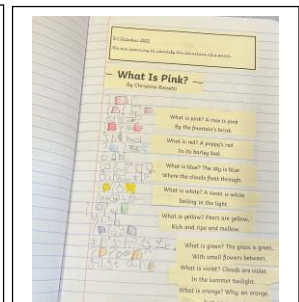

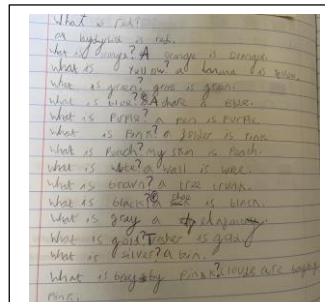

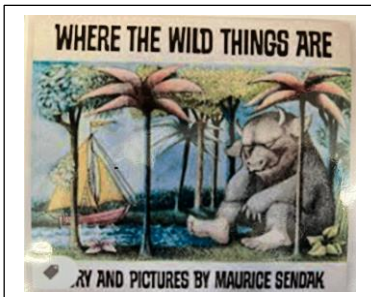

Robins

This week Robins have been learning about making comparisons in maths and have worked as a class to compare their heights and the length of their shoes. In art this week, Robins have learnt about mosaics and have created some beautiful autumn mosaics.

Woodpeckers

This week Woodpecker Class have been using the poem 'This is Pink' to support their own writing. Children planned their own ideas and even began selecting words to make their poem rhyme. In Maths they have been using the addition sign to record number bonds. Our whole class reading has been around 'Where The Wild Things Are.'

Red Kites

Red Kites have had a busy week writing their Treasure Island stories. The children have worked really hard and have been imaginative and creative in writing them.

Starlings

This week Starling Class have completed their place value unit in Maths. On Monday we learned about Roman numerals up to one hundred and the class worked together to crack code and find out Julius Caesar's message. It was his famous quote 'It is better to create than to learn – creating is the essence of life.'

Safety Notice.

Please could we ask you all to drive into the school grounds **SLOWLY** and take care at all times.
