Locality Committee – places available

Our Borders schools need you!

Would you like to be involved in supporting Glebeland and Barnby schools with their development and improvement? Helping to ensure our schools are the best they can be?

For more information, please contact our new LCB Chair, Claire O'Brien at

c.obrien@consortiumtrust.org.uk

We would like to extend our sincerest gratitude to Janet Gandy, who has dedicated many years to supporting Borders schools as Chair of the Locality Committee.

Farewell for now

After several years leading Outdoor Learning, Art and Language lessons, at Glebeland, Miss Egler will be based at BNC fully next year. She has been a super addition to our team here at Glebeland and we will all miss her.

Summer Reading Challenge – and Mini Challenge!

The [Summer Reading Challenge](#) is a national program developed by The Reading Agency and delivered by public libraries aimed at primary school children. Every year, around 10,000 children join the challenge in Norfolk and the Mini Challenge means little ones don't miss out on all the fun. It supports their reading journey and the work that you do with them. We hope families will become active library members, discover the free family activities we offer and access books

through their local library. Visit the website for more details and to get involved.
