Dear Families

Emergency COVID School Contact

I hope my letter finds you well. I have set up an **emergency** out of hour's number on which the schools can be contacted if a member of your household, you or your child that attends the school, has received a positive test result outside school hours.

A member of the senior team will be available to take your call and will advise you on the necessary actions that will need to be taken at a school level.

The identity of the person who has received the positive result will remain confidential.

Please do not use the contact number for any other purposes other than that mentioned above.

The numbers on which the Borders Partnership of Schools can be contacted are:

Glebeland: **07593 564822**

Barnby & North Cove: **07593 564805**

Kind Regards,

Mrs L Scott
Academy Head
