

Glebeland Newsletter

Friday 5th September 2025

Message from Miss Davies – Academy Head

What a wonderful first few days we have all had. We have been joined by some new children too;
WELCOME!

Our **Stars of the Week** and **Reading Champions** will be celebrated during Monday assemblies and children will enjoy their special moment with a certificate and a hot chocolate or squash with me afterwards. Our stars will be added to our weekly newsletter, starting next week.

In place of swimming, this week, **Red Kites** and I have created art around the themes of *new beginnings* and *determination*.

We have a special message from Ms Ribbons about her new club:

Introducing the Glebeland Glee Club!

Does your child love to **sing, act, and move**? We've got just the place for them! Join our new **after-school Performing Arts Club**—a fun, expressive space where creativity shines.

What: Glebeland Glee Club – a lively club for singing, acting, and movement

When: Every **Wednesday, 3:15 pm – 4:00 pm**

Who: all budding performers welcome!

Why join? Boost confidence, friendships, and stage presence—all while having fun together.

How to Join: Sign up via the school office.

A great opportunity to try something new or further explore the performing arts—everyone's invited!

See What's Next:

Keep an eye out for our end of term "**Glee Showcase**"—a mini-performance so parents and the school community can see the magic in action.

Get ready to **shine on stage**—we can't wait to see your child sparkle at Glebeland Glee Club.

The first session is **Wednesday 17th September**

Message from Mrs Softley – Robins Class

Everyone has settled in really confidently in Robin class and are all enjoying making new friends and exploring our new learning activities.

We will start sending home reading books for you to share with your child(ren) next week at home and a reading record to record this in. Children are recognised during celebration assembly as Reading Champion of the week for being the child in their class who has shown the most commitment to reading, so please ensure you update their record every time they read.

Next week, we are beginning our new topics around Florence Nightingale and people who help us, our families and the importance of being a kind and helpful citizen. Our full curriculum overview can be found on our website.

Message from Mr Lamoureux – Red Kites Class

I am very proud of how confidently all the children have settled into Red Kites class, both new and familiar faces! It has been lovely to see them making new friendships and enjoying all of our exciting learning activities. Already, we have started exploring the Anglo-Saxons in history, learning about place value in maths, and looking at diary entries in English.

All the children have now received new reading books and reading logs. Reading at home is an important part of your child's learning, so please read as much as possible and record it in their logs. They will shortly also receive a Times Table Rockstars login, allowing them to practice their multiplication and division from home too.

We are excited for a fantastic term ahead, full of learning, creativity, and new experiences. The children are already showing great curiosity and enthusiasm, and we can't wait to see how they continue to grow and enjoy their time in Red Kites class! Please take a look at our learning overview online.
