

# Glebeland News

Week beginning 17<sup>th</sup> March 2025

## Learning Pi – Personal Improvement

Consortium Trust schools broaden the curriculum we provide through our Learning Characteristics:

**Personal Development**

**Creative Development**

**Community Engagement**

Since January we have had a different Learning Pi focus every week. They are the theme in two whole-school assemblies each week. This week our focus is **Community Engagement – Responsibility**, as it is Red Nose Day on Friday, and we are considering how we can help others in need.

## Red Nose Day, Great Glebeland Bake Off & Bake Sale!

**Friday 21<sup>st</sup> March**

Children can enhance their usual school uniform with a fabulous or subtle **red accessory**.

If you wish, your child can join our Great Glebeland Bake Off and bring something baked from home, to be judged in school, with a prize for the best bake.

Bakes will then be sold at our Bake Sale at 3pm in our courtyard.

Money raised goes to Red Nose Day.
