Friday 26th September 2025

Message from Miss Davies – Academy Head

Farewell and Congratulations to Fran

We are sad to be saying goodbye to our wonderful Office Manager, Fran, whose last day with us will be Friday 10th October. Fran has been at the heart of our school office, always welcoming and happy to help children, staff, parents, and visitors alike – helping to create the warm, community feel that makes Glebeland so special.

While we will miss her greatly, we are thrilled to congratulate Fran on her exciting new role as Finance Officer at another setting. They are very lucky to have her! We wish her every success in this next chapter of her career.

Message from School Office

Thursday 2nd October is Census Day.

On this day, the menu will be have Friday's and Thursday's main meals swapped.

On Thursday, the main meal option will be Fish Fingers (or Quorn dippers for Vegetarian Option) with chocolate crunch for dessert.

On Friday, the main meal option will be Italian Chicken (or Italian Quorn for Vegetarian Option).

Stars of the Week

Robins:

Oona has settled really well into Robins class and has been working really hard to improve her use of capital letters and full stops and her spellings.

Red Kites:

Lorna has been super resilient since the return to school! She has used lots of different strategies to overcome things and find a solution to a problem.

Message from Mrs Softley – Robins Class

Robins class have been focussing their learning this week around what it means to be a kind friend. We looked at behaviours which we consider to be kind and unkind and wrote about what our ideal friend would be like.

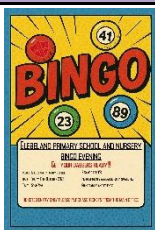

In Drawing Club this week, we have been watching Bananaman and have considered the qualities of a Superhero and where they might hide out. Year 1 and 2 have also been working really hard to use capital letters correctly and to self-edit their own work.

In Maths, early years children have been learning about prepositions such as in-between and next to and year 1 and 2 have been ordering numerals by learning about the terms greater than and less than. If you haven't already, please consider volunteering to come in and talk to us about what you do all day while the children are at school – we would love to explore as many careers as possible.

Message from Mr Lamoureux – Red Kites Class

Another focused week in Red Kites! In English, the children have been busy planning their diary entries, ready to write them next week. In maths, they have continued to build confidence with place value and numbers up to 1000. We've been very creative in art, exploring abstract features and producing autumnal pieces for Harvest. In RE, the children have had thoughtful discussions about current conflicts and how people may have different beliefs and opinions. We have also explored the many ways families can look different to our own.

Message from Glebeland PTA

Bingo Night is only 2 weeks away!

You can purchase your tickets from the school office.

The PTA have their own email address in which you can contact them directly. If you have any ideas or would like to join them, email them on glebeland.pta@gmail.com.

They also have a Facebook page with all the events on there and any other information from the PTA. Go check them out! <https://www.facebook.com/profile.php?id=61580285924787>
