Message from Miss Davies – Academy Head

KS2 Swimming

Red Kites are all doing really well at the Warren School pool. Chris Stent is coaching them and we have noticed great improvement in our new swimmers, and good consolidation of skills with our more experienced swimmers. Well done everyone!

I have taken individual photos and will send them to parents privately on Dojo.

Diwali Day

We have also had a fabulous time at Diwali day! Please check out the amazing photos on Dojo, to see our Learning Characteristic in action – we were all collaborative and engaged.

SENDIASS sessions for parents and carers

Booking is open for our Annual Reviews of Education, Health and Care (EHC) plans webinar. This webinar was co-produced with parents and carers and practitioners are also welcome to register. The session includes explaining the purpose and process of an annual review and how parents and their children are involved.

Reading Champion of the Week

Robins:

Riley has shown fantastic commitment to reading at home by making sure she reads every day and one night even read a whole 63-page book! Well done, Riley.

Red Kites:

Charlie has been working hard during morning reading! He has been reading confidently, with good expression and has been answering questions to check his understanding.

Message from Mrs Softley – Robins Class

We were really excited to show parents our hard work this week during our parent assembly, and we hope parents enjoyed the opportunity to explore the learning environment and see what we have been up to this half term.

Throughout the week, we have enjoyed having more parents in to tell us what they do while we are at school and enjoyed learning about how Anglian Water makes our water safe and clean, all about what happens at James Paget hospital and even had a golf lesson!

We have been looking at Bagpuss in Drawing club and have been exploring how lost objects can be repurposed and key stage 1 children have been consolidating their knowledge of capital letters.

We had a great time celebrating Diwali on Friday by learning some traditional Indian Dance moves and dressing up in silks and Bindhi's and making some traditional food which we enjoyed sharing together.

Message from Mr Lamoureux – Red Kites Class

This week, we had the pleasure of welcoming parents into Red Kites class for our assembly! It was wonderful for the children to share their learning journey so far this half term and all their hard work. Parents spent time looking through books, exploring the environment we learn in and chatting about everything we have been doing.

Throughout the week, our sculptures have really started to take shape and are nearly complete. We have made great progress with writing our own free verse poems and continued developing our skills in adding and subtracting 1-, 2- and 3-digit numbers. We have discussed the Human Rights Act and explored what rights we have as children. In history, we looked at what an Anglo-Saxon warrior would have been like, ready to discuss invasion, defence and why land was important, next week. We even managed to fit in a game of dodgeball to practise the fundamental movement skills we have been working on in PE this half term. It's been another exciting and busy week of learning.

Message from Glebeland PTA

Come along and join in our spooky Halloween Disco next Friday 24th October!

The next PTA meeting will be on the 29th October at 10.30am at Pirate Pete's. All are welcome to join.

The PTA have our own email address in which you can contact us directly. If you have any ideas or would like to join us, email us at glebeland.pta@gmail.com

*Best Wishes,
Stacy Frame*

PTA Chair Glebeland Community Primary School
