MESSAGE FROM MRS SCOTT

Dear Families

Connections with others are very difficult during this challenging time and we know how important it is that we connect as much as possible with our friends and families. As a school, we know how vital this is for the wellbeing of our pupils which is why we have daily live sessions for all our children so they can still see their classmates and friends. Some children may feel a bit shy or awkward during these sessions, that's ok and is perfectly normal.

I ask that when school technology fails, and it does sometimes, that patience is afforded to our hardworking staff. It's frustrating for us too.

Please keep in touch with us, let us know what we are doing well.

Best wishes, Mrs Scott

OUR WORK DONE IN SCHOOL

We've been very busy in school this week!

Class 1 made some edible bird pictures using lard as glue and bird seed. Then they went birdwatching to see which birds came for lunch!

Class 2 have been studying different cloud formations and learning about what the different patterns can tell us about the weather.

WORK DONE ONLINE

You've all been busy at home too!

Mrs Cahill was particularly pleased with the work Class 1 children have been doing on the planets using everyday objects to show their relative sizes.

Mrs Rednall was pleased with the storywork the children in Class 2 have been doing. They have been looking at character development and plot setting.

OUR WORK DONE IN SCHOOL

Class 3 have been growing seeds and looking at the different variables which make them grow and the nutrients that they need in order to flourish.

Class 4 have been studying Islam and designed some beautiful prayer mats.

OUR WORK DONE ONLINE

Mrs Franklin was really pleased with the work the children have been doing on mapping their local community.

Mrs Newton was really pleased to see the art work submitted by some of the children in Class 4 on the theme of 'Art in a Heart'. This beautiful design must have taken a long time to complete but we think you will agree it was well worth the effort.
