

## Glebeland News

Week beginning 5<sup>th</sup> May 2025

### May Day

Thank you for joining us for our fabulous maypole assembly. All the hard work of our children and staff, the rehearsals and crowns, all paid off. The encore was even better!

### Mini Bus

We now have one of our Trust mini buses parked at Glebeland. All schools are able to access it, but being on site here, makes it so much easier for us when we are arranging trips.

### Drop off and Pick up

It has been mentioned that there has been a lack of spaces in the car park since the opening of the Burrow, making pick up and drop off difficult for families.

We have made adjustments, so some staff will now park on the playground. This should mean drop off and pick up for families is safer again.

Staff are mindful that there are parked cars throughout the day on the playground and children will only access the field, as has been our usual practise.

We appreciate you raising concerns and want to work with you to ensure we are finding workable solutions when any issues arise.

We will continue to review parking and access over the term.

### Pact

Please see the attached flyer with information on support for parents and carers of children and young people with mental health issues.
