Week beginning 16<sup>th</sup> June 2025

## Fire Station

This trip was a huge success for all our Owls. It was a great opportunity to visit an active workplace, to help children learn about fire safety, emergency responses, and show them another career that could be open to them too.

**Thank you to Mr Pinheiro for inviting us!**

## Norfolk Lakes

Our Year 6 have been having a fabulous time at Norfolk Lakes on their joint residential with children from Barnby & North Cove. There may have been a late first night, and some children may be a little tired when they arrive home today, but they have had a super time.

## Arbor

Apologies that Arbor is being temperamental, and emails are not reaching everyone. We have been informed it may be sending to people's spam folders. Please check your spam.

Miss Baker is also going to post our newsletter on Dojo to help.

## Perimeter fencing

We're pleased to share that plans are underway to replace the external fencing and two gates around the playground area (please note, this does not include the car park fencing).

The work is scheduled to take place during the summer holidays, to ensure there's no disruption to the school day. If you have any questions or would like more information, please don't hesitate to get in touch with me directly.

**Have a lovely, sunny weekend.  
From all of us at Glebeland.**
