Thursday 18th June 2026

Message from Miss Davies – Academy Head

Circus

Our whole school had a unique and fabulous time at the Circus Tuesday, where we were the circus performers!

Children were spinning plates, juggling scarves, swinging socks and spinning diabolos.

There will be a letter coming home with details of the dates and times the circus is on this weekend at BNC.

Class Assemblies

Class Assemblies are held every half term and offer you the opportunity to visit GLE, see your child's learning and share in some activities. Dates are always in our newsletter.

Star of the Week

Robins

Red Kites

Well done, Amber, you have been trying really hard to follow the school rules and be a kind friend.

Well done, Lorna, you showed brilliant resilience and determination when completing your assessments this week.

Sports Star

Well done, Melanie, you always show a super effort and competitiveness in PE!

Message from Mrs Softley – Robins Class

Key stage 1 children have been busy completing their Maths and English assessments this week and have shown positivity and determination throughout.

Early years children have continued with drawing club and this week have been looking at *The Tale of the whale*. This has given us opportunities to discuss environmental issues such as ocean pollution and the melting polar ice caps.

We had a fantastic time at the circus workshop on Tuesday and everyone was keen to participate in learning new skills and tricks.

In art, we are learning to weave and have begun by learning the basic technique and will be using this to create our own repeating pattern art.

Message from Mr Lamoureux– Red Kites Class

This week, the children have worked incredibly hard on some tricky reading and maths assessment for learning papers. We were so impressed with the resilience, determination and positive attitudes they showed throughout. We also welcomed parents into school for our parent assembly, where the children proudly showed off some of the fantastic learning they have been doing. It was lovely to spend time reading together and playing some learning-based games (whilst enjoying a biscuit or two). The children also had a brilliant time visiting Barnby for a circus workshop, where they got to try something new and have lots of fun. In maths, we have started to explore and tell the time. In science, we have continued learning about human development and how we change as we grow. We also got outside in PE to practise our bowling skills in cricket. Please remember to bring some pennies for Frozen Friday to support the pupils of our School Council!

Message from Glebeland PTA

The PTA have our own email address in which you can contact us directly. If you have any ideas or would like to join us, email us at glebeland.pta@gmail.com

Please help support our school in raising funds to purchase new equipment for the outdoor wellbeing area.
How can you help?

Pop into Tesco Beccles where we are one of 3 schools in for the chance of winning £1500 through Tesco's blue token scheme.

Upcoming Events

Fathers Day – Sports Afternoon – Open to all

Please Join us for a sports afternoon on the 22nd June to celebrate Father's Day. We will be offering a selection of treats along with a choice of hot and cold beverages for you to enjoy with your child whilst Enjoying sporting activities.

We will not be charging for this event; however, donations are greatly received.

If you could register your interest with Mrs Frame either by phone or email so we have an idea of numbers that would be most appreciative.

As always, we appreciate your continued support
