Message from Miss Davies – Academy Head

CMAT Writing Competition 2026

We are so proud of **Lorna** for winning the writing competition in her age group, for her story, ***Poppy and the Puppy***. She will receive her certificate at the CMAT 10yr anniversary event at Thorington.
Well done Lorna!

PTA Father's Day Event

Thank you to all families who were able to join us at our PTA Father's Day Sports Event on Monday.
Our PTA are amazing in all they do to support our school community with super events.

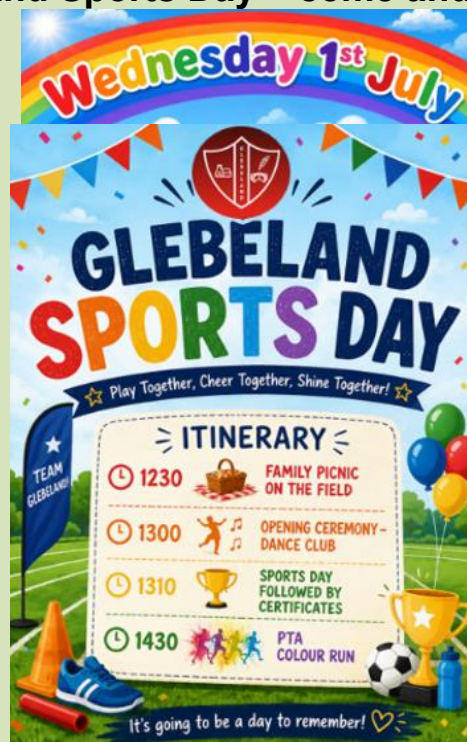

Norfolk Show

Our children made us so proud on Wednesday at the Norfolk Show. Their behaviour was excellent and we managed to keep as cool as possible, keeping to the shade and drinking regularly.
The Discovery Area was amazingly interactive, and every child explored and enjoyed the various stalls, from VR and coding to making mint sauce! What a valuable learning opportunity!

Glebeland Sports Day – come and join us!

Reading Champion

Robins

Well done to our year ones – Riley, Brooke and Oscar who all work incredibly hard during phonics and this

Red Kites

Well done Max, super effort sounding out your words during morning reading and great recognition of the diagraphs you have been practising!

really paid off during their phonics screening assessments.

Sports Star

Well done Lorna, you have showed a purposeful attitude in dance club!

Message from Mrs Softley – Robins Class

Robins had a fantastic time at the Norfolk Show this week where we were excited to learn about farm to fork and participate in lots of science experiments. We were excited to see the RAF Falcons parachute into the Showground and even caught a glimpse of Princess Anne! Robins were very surprised that real Princess's don't wear crowns and frilly dresses all the time!

We have been keeping cool with lots of different water play and experimentation this week and have extended our beauty salon into our outdoor area complete with foot spas, mud packs and cucumber for our eyes.

In Geography, year ones have begun learning about what life is like for children in Kenya and are contrasting and comparing this with their own experiences. We were very surprised to see their classrooms and homes and the types of food they eat.

A fantastic week Robins – you have all coped brilliantly in the heat – well done!

Message from Mr Lamoureux– Red Kites Class

What a hot week it has been! The children have been super resilient and have coped brilliantly with the warm weather. In English, we have continued to innovate our magical journey stories, using our imaginations to create new settings, characters, problems and resolutions. In Maths, we have been working hard on telling the time to the nearest 5 minutes and the nearest minute. The children have shown great perseverance with this tricky skill. In Science, we discussed the physical and developmental changes that happen as humans get older. The children were very quick to identify grey hair as a physical change for older adults — especially when thinking about the staff! We have also been learning about how to handle and store food safely, thinking carefully about hygiene and how to keep food safe to eat. Of course, we managed to fit in plenty of water breaks and a few well-earned ice lolly breaks to help us stay cool. Well done everyone for such a positive and resilient week!

Message from Glebeland PTA

The PTA have our own email address in which you can contact us directly. If you have any ideas or would like to join us, email us at glebeland.pta@gmail.com

Please help support our school in raising funds to purchase new equipment for the outdoor wellbeing area.
How can you help?

Pop into Tesco Beccles where we are one of 3 schools in for the chance of winning £1500 through Tesco's blue token scheme.

As always, we appreciate your continued support
