

Glebeland Newsletter

Friday 17th July 2026

Message from Miss Davies – Academy Head

Dear Parents and Carers,

As we reach the end of another busy school year, I wanted to take a moment to thank you for your continued support and to reflect on what has been a wonderful year at Glebeland Primary School and Nursery.

A Year to Celebrate

It has been a fantastic year of learning, growth and achievement for our children. They have embraced every opportunity with enthusiasm, curiosity and determination, making us all incredibly proud. From successes in the classroom to sporting events, performances, outdoor learning and community activities, our pupils have represented Glebeland brilliantly. One of the highlights of the year has been achieving the **Woodland Trust Green**

Tree Schools Gold Award, recognising our commitment to caring for the environment and making the most of our outdoor spaces.

Thank You to Our PTA

Our PTA continues to be an incredible support to the school, giving their time and energy to organise so many memorable events throughout the year. The discos, film nights, Colour Run, summer fete and other fundraising events have brought our community together whilst raising an amazing amount of money to enrich the experiences of our children at Glebeland. On behalf of all the staff and pupils, thank you to every member of the PTA and to everyone who has supported these events throughout the year.

Congratulations, Stacy!

I am delighted to congratulate Stacy Frame, who will become our Office Manager from September. Many of you already know Stacy and the warm welcome she gives to families each day. From September, she will be available in the school office from **8.30am until 3.15pm, Monday to Thursday**, and **8.30am until 1.00pm on Fridays**. I know you will join me in wishing her every success in her new role.

Looking Ahead to September

In September, we will continue with our two-class structure of **Red Kites** and **Robins**. Thanks to our growing numbers, we are pleased to be strengthening the provision within Robins. An additional adult will support the class during the morning sessions, allowing us to teach Reception and Years 1 & 2 separately for English and mathematics through two distinct learning groups, while our Nursery children continue to benefit from high-quality continuous provision in a third group. This will provide even more targeted teaching to meet the needs of every child. If you would like to know more about how this will work, please do speak to Mrs Softley or myself.

Thank You

Finally, I would like to thank every one of you for the trust, encouragement and support you have shown throughout the year. Glebeland is a very special place because of the caring and supportive community that we are creating together. Your partnership makes a real difference to our children and helps them to thrive.

Next year promises to be another exciting one, with more educational visits, greater use of our wonderful wildlife and pond area, the completion of our outdoor wellbeing space and, most importantly, continued opportunities for every child to achieve their full potential.

I hope you all have a wonderful, restful summer holiday with your families. We look forward to welcoming everyone back to school on **Thursday 3rd September**.

Star of the week

Robins

Well done Lilly Rose – you always show respect to your peers, adults and classroom resources. You are a wonderful role model to the younger members of the class.

Red Kites

Well done to all Red Kites for all your hard work and achievements throughout the year.

Sports Star	
Well done, Charlie, you have shown great enthusiasm towards football and the world cup which has seen you planning and setting up football matches at play and lunch time for you and your friends to enjoy!	
Message from Mrs Softley – Robins Class	
This week, we have been looking at the story <i>The book with no pictures</i> by B.J. Lomak. We collaborated to draw and imagine what the pictures in the book might look like if there were pictures and made up our own nonsense words with meanings and actions. We all thoroughly enjoyed our trip to the circus and enjoyed watching the performances and water show. The children have incorporated this into their role play this week taking on the different circus roles and encouraging audiences to come and watch. It has been a wonderful year in Robins class, the children all work so hard and should feel very pleased of all their achievements this year. I hope you all have a wonderful summer.	
Message from Mr Lamoureux– Red Kites Class	
A fun filled final week! This week, we recapped some of the key grammar focuses from across the year and finally wrapped up our learning of time – about time! 😊 The children prepared a healthy dish containing carbohydrates, protein, dairy and vegetables and we enjoyed eating our creations together while watching a short story. We had great fun at the circus, where the children enjoyed watching lots of different performances as well as seeing popcorn being thrown at me! We then finished the week with some calm, enjoyable activities. I would like to say a massive well done to all the children for their hard work and effort throughout the year. Everyone should feel incredibly proud of everything they have achieved and how much they have grown. It has been a pleasure teaching you all.	
Message from Glebeland PTA	
The PTA have our own email address in which you can contact us directly. If you have any ideas or would like to join us, email us at glebeland.pta@gmail.com	

Please help support our school in raising funds to purchase new equipment for the outdoor wellbeing area.
How can you help?

Pop into Tesco Beccles where we are one of three schools in for the chance of winning £1500 through Tesco's blue token scheme.

Circus

The PTA bought all the children ice cream following the amazing circus performance. This would not have been possible without all the incredible donations and support from you, our amazing families.

As always, we appreciate your continued support

Events & Dates

PTA Events

-

This Week

- Friday 17th July – Last day of term

Coming Up...

- Thursday 3rd September 2026 - First day of Autumn Term
- Friday 11th September – first Red Kites' swimming session
