Message from Miss Davies – Academy Head

Attendance

We all know how busy and at times chaotic the morning routine can be, so thank you for ensuring children arrive on time and are ready to learn. Our attendance is currently at 97% which is a great start to the year.

After-school Clubs

Mr Lamoureux has started his sporty after-school club on Tuesdays. If you'd like your child to join, please sign up on Arbor. We will have a different club on offer, every half term, run by our staff or our PTA.

Breakfast Club

We are a small community school and currently do not offer a breakfast club. If a breakfast club is something you would need to help with balancing school drop-off with work commitments, can you let our Office Manager, Mrs Frame, know. A breakfast club may not be viable, but to explore this further, we would need to know the level of interest.

Reading Champions

Robins:

Well done Alaia Mae – you created a fantastic book during the summer holiday.

Red Kites:

Well done, Lacey, Lily and Ella for reading during the school holidays!

Sports Star

Well done Brooke for showing great determination and resilience during Sports Club. Despite a nervous and hesitant start, you grew in confidence and showed some fantastic hockey skills!

Message from Mrs Softley – Robins Class

Robins have had a fantastic week! Everyone has settled back into our routines brilliantly and has been working very hard.

In Drawing Club, we have been reading *Superworm* by Julia Donaldson. Our Early Years children have used their imaginations to create another baddie to come after *Superworm*, invent a getaway vehicle and design a trap to catch the baddie! Year 1 children have been learning how to use capital letters and full stops correctly, while Year 2 have been exploring verbs and adverbs.

We have also begun our new topic on castles by finding out what life was like in medieval England. We were very surprised to discover that there were no iPads or electric lights 800 years ago!

Our Early Years children have been getting to know themselves and their friends by creating self-portraits and drawing and talking about their families.

We have had a wonderful start to the new school year and are very proud of how well everyone has settled in. We are looking forward to another great week of learning next week!

Message from Mr Lamoureux – Red Kites Class

A fantastic first week back!

The children have settled back into school routines brilliantly and have worked incredibly hard during a very busy first week! In English We have begun exploring what an autobiography is and the features we need to include when writing one. We will be basing our own autobiographical writing on Anne Frank, so the children have been learning lots about her life and experiences. In Maths we have been developing our understanding of place value, working with numbers up to 10,000 and thinking carefully about the value of each digit. In Science we discovered that rocks are natural materials and began exploring where different rocks come from and how they are formed. In History we started our World War Two topic by exploring some of the key events, including when the war began and ended, and beginning to place important events in chronological order. In RSHE we have been learning about bones and our bodies, exploring the role our skeleton plays and why our bones are so important. It has been a brilliant start to the new school year, and we are looking forward to another busy and exciting week of learning next week!

Message from Glebeland PTA

The PTA have their own email address in which you can contact them directly. If you have any ideas or would like to join them, email them on glebeland.pta@gmail.com

Upcoming Events

Jeans for Genes - Cake Sale

We will be holding a cake sale after school at 3pm on the **16th of September** in support of Jeans to Genes. Don't forget to bring your pennies, if your child/ren are on the bus, they can also join in by bringing their pennies in their bag.

You are welcome to email or call Mrs Frame in the office to let her know your child has money, this way we can ensure that your child/ren come collect some cakes or treats that take their fancy before getting on the bus.

Halloween Disco

Keep your eyes peeled for more information about our upcoming Halloween disco on the **23rd of October**, straight after school 3.15-4.30
