The Burrow

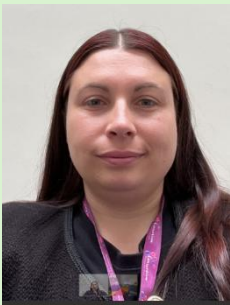

The children attending The Burrow have all settled into their provision well.

There have been some opportunities for all our children to share lunches and break times with them. Snowy Owls Class and The Burrow have also shared a delicious breakfast together. There are plans to hold more in the future.

If you have any questions about The Burrow please do ask. Emma Peach, Lead Teacher, or I will be happy to answer them.

Emma would like to introduce herself:

My name is Emma Peach, I am the Lead Teacher of The Burrow, the satellite class of The Warren School. I have been teaching for 14 years and have experience working with children from ages 4-19. I am passionate about working with children that have Special Educational Needs and Disabilities and meeting the needs of all children by providing them with a meaningful and supportive education. I have many roles and responsibilities at The Warren School, one of which being English Lead, where I get to share my love of books with everyone.

I have been at Glebeland Primary School since Easter and set up The Burrow from scratch which has included meeting all the fabulous children that attend here. I have enjoyed coming together with Snowy Owls and am looking forward to more joint events in the future.

GLEfest

We are making plans for our end of year summer celebration event for families and friends, on Friday 18th July. There will be stalls run by each class from Glebeland and The Burrow. We hope to have some special guests too – our CEO Andrew Aalders-Dunthorne and our local MP Ben Goldsborough are aiming to join us.

We are also excited to have a wonderful group of parents who are forming a new PTA for Glebeland, who will be helping to make GLEfest great. More details to follow soon...

Have a super weekend, from all of us at Glebeland.
