**MESSAGE FROM MRS SCOTT**

Welcome,

I cannot begin to express the awe I have for you as parents as you support your children's learning whilst balancing the 'normal' day-to-day stuff. I also am in awe of our school staff who have provided such a high quality provision for our pupils, a balance of English, Maths, Science, languages, art, outdoor learning to name a few. Alongside this, we encourage our pupils to 'keep-moving' and keep up the physical activity. Go for walks, do some exercise, play some games outside; evidence shows how vital exercise is for our wellbeing. If you would like some ideas, please see the links below, they are filled with ideas:

Best wishes,  
 Mrs Scott

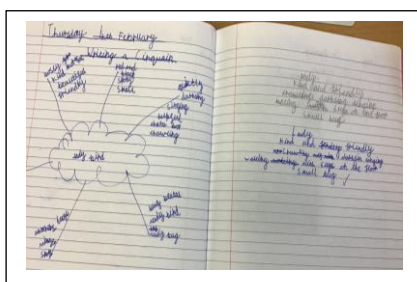

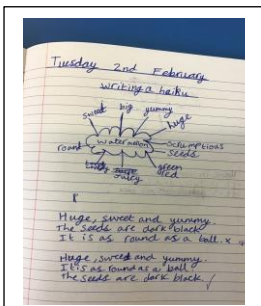

**OUR WORK DONE IN SCHOOL**

We've had another busy week in school!

Classes 1 and 2 have been continuing their work on the weather. This week they have been thinking about how the weather effects us by the things we can do and the clothes we need to wear. They looked at how important a weather forecast is, learned about the different weather symbols and then became TV weather forecasters!

In Class 3 the children have been learning about different types of poetry. They have written Kennings, haiku and a cinquain!

**WORK DONE ONLINE**

You've all been doing some lovely work at home.

The children in Classes 1 & 2 have been continuing with their Story work. Imagining characters for their stories.

Logan drew an imaginary Alien called Fip and even drew the Planet Zod where his alien lives!

Rosie's character is a beautiful butterfly called Betty

All of you working from home have sent in some lovely science work. Especially these diagrams of the life cycle of plants!

## OUR WORK DONE IN SCHOOL

Class 4 have been really busy too.

They have been writing Cosmic Diaries, learning how to add and subtract fractions and studying the work of famous artists. Unfortunately, I forgot to ask Mrs Thompson for some photographs so you will just have to imagine 😊

## OUR WORK DONE ONLINE

## MOVING FORWARD

We break for half term next Friday, 12<sup>th</sup> February. At the present time it is expected that things will continue as they are now and the school will re-open to the children of Key Workers only on Monday 22<sup>nd</sup> February. The Prime Minister is due to review the lockdown on 22<sup>nd</sup> February and we will keep you informed of any changes that are announced.
