Issue 17   19th March 2021

MESSAGE FROM MRS SCOTT

Welcome

This week we have been focussing on our Core Values of Community and Respect. We have been thinking about how we are all unique and special as individuals and the richness we, as individuals, bring to our communities. We have also been thinking about how we can show respect to others through kindness in our words and actions.

Thank you to all our families who have made a donation to Comic Relief and subsequently the charities that will benefit.   We raised an amazing £150.07!

Best wishes,
Mrs Scott

THIS WEEK'S AWARDS

Citizen of the Week

Lydia – for being a good friend
Ellen – for being helpful and kind
Freddie – for playing alongside his friends
All of Class 4 – for amazing teamwork

Star of the Week

Evie – for amazing storytelling
Robyn – for accuracy in Maths
Corey – for beautifully neat cursive handwriting
Hazel – for always challenging herself

THIS WEEK IN CLASS

Class 4

This week we have been learning about the work of artists like Andy Goldsworthy and James Brunt who created amazing sculptures inspired by nature. In Outdoor Learning this week we made our own sculptures from natural resources.

Class 2

This week we have been exploring our emotions. We have been working with Mrs Ward and read the story called "When I get Angry". We looked at ways that we could cool our anger and learned how to doodle. We also made some colourful, glittery calming bottles.

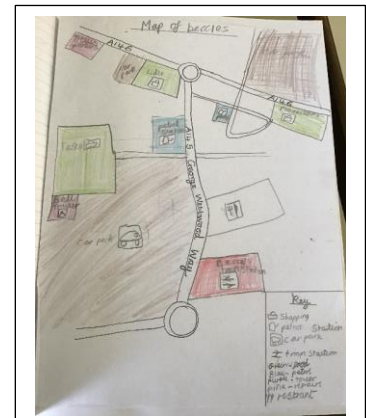

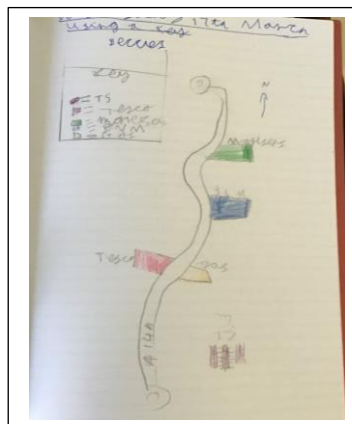

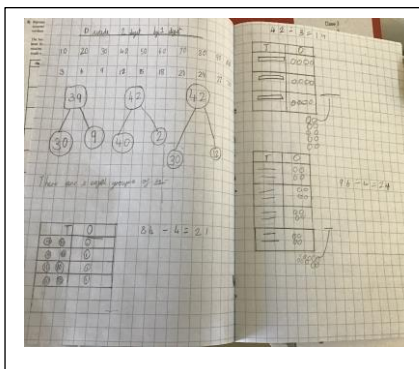

Class 1

We have been learning the story of "The 3 Billy Goats Gruff". During our Outdoor Learning we found a bridge to trip-trap across. We all did a brilliant job of playing the different characters from the story.

We have also been looking at the work of Jackson Pollock and exploring ways to paint without using a brush. We used marbles and a pendulum.

Class 3

In Maths we have been learning about division and have been learning to divide by exchange and with remainders.

We have also been drawing maps of the local Area and learning to use a key
