Issue 24 21<sup>st</sup> May 2021

### MESSAGE FROM MRS SCOTT

*Welcome*

*Today I have sent out the first in a series of safety information letters - this week's letter explores the age appropriateness of some of the numerous apps and online platforms available to our children and young people today. I hope you find it useful.*

*Best wishes,  
Louise*

### THIS WEEK'S AWARDS

#### Citizen of the Week

Wednesday 14th July - Backup Sport's Day	*Whole school transition morning- Wed 14th July - TBC
Friday 16 <sup>th</sup> July – End of school year	

\*We are waiting on transition dates to be confirmed from Hobart.

### PARENT/TEACHER PHONE CALLS

Thank you to everyone who has booked a telephone appointment with the teachers for next week. There are a few time slots left so if you have not yet made an appointment and would like to do so please contact Diane in the office as soon as possible.

Your child's class teacher will call you at you allocated time and will use the telephone numbers that we currently have on file. If you would prefer the call to be made to a different number could you let Diane know please.

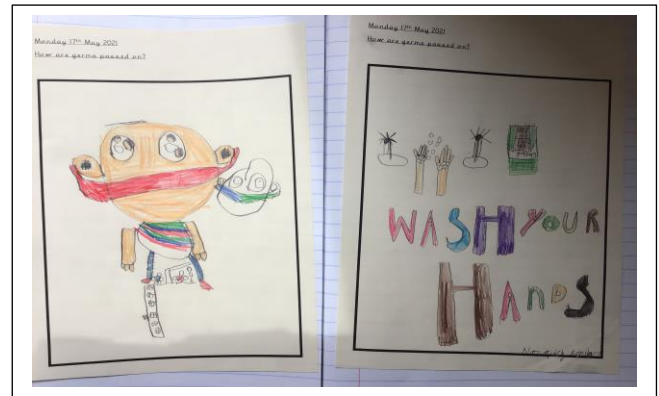

### PFA

I am sorry to say that following their recent meeting the current PFA committee have decided that it is not possible to continue at the present time so the PFA at Glebeland will disband for the foreseeable future. They have funds in their account from previous projects and, following a presentation made by our Pupil Parliament, they have decided to use these funds to upgrade the outdoor play equipment. On behalf of the pupils and staff at Glebeland I would like to thank them all most sincerely for their hard work over the last several years.

## THIS WEEK IN CLASS

### Class 2

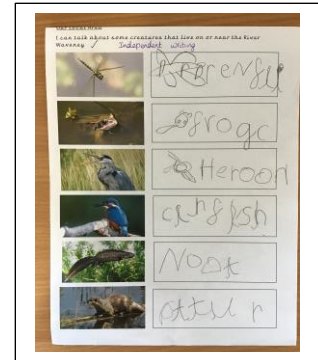

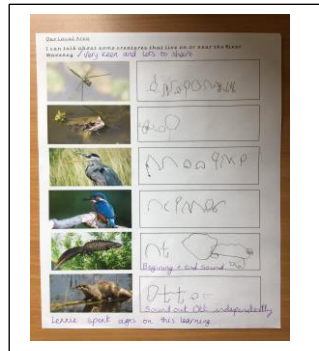

We have been learning about germs and bacteria and why it is so important to wash our hands. We have a very yucky reminder on display! We have also been learning about important scientists like Pasteur and Jenner and have designed posters to remind us how to stop germs spreading.

### Class 1

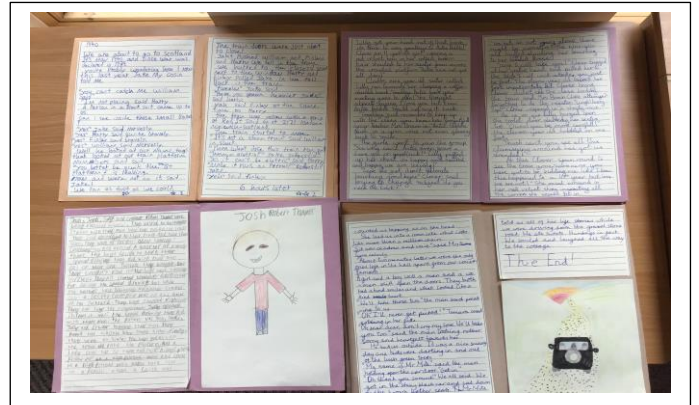

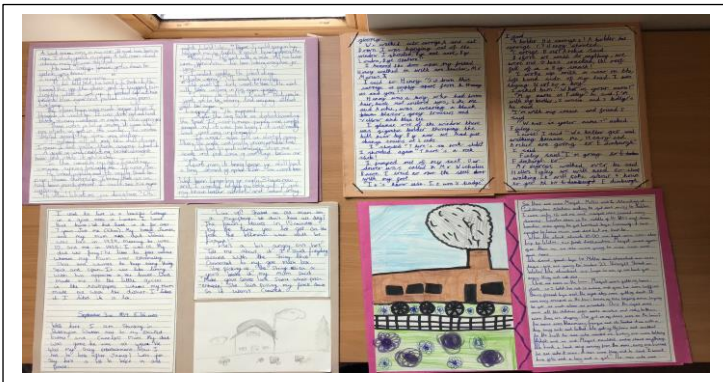

We have been learning about rivers and the creatures that live in and around them.

Next week we will be thinking about The best ways to cross a river. We will be making junk models of our ideas so please could you send in some boxes and bits and pieces to for us to use.

### Class 4

We have been working really hard on our stories with a World War II theme. These are now finished and some of us even added illustrations.

### Class 3

We have been learning about persuasive writing so we have making up our own adverts for selling ice cream.
